

Cathy Bendle Author Reading

If You Were Here

Tuesday, September 26, 7:00

John M. Cuelenaere Public Library, 125 12 Street East

"If You Were Here" invites readers on a journey through the tapestry of a 35-year marriage, where cherished memories shape the narrative of love, loss, and the uncharted territories of grief. In this heartfelt memoir, the author navigates the intricate mosaic of life, recounting both the humorous anecdotes that once filled their home with laughter and the poignant musings that now linger in the absence of a beloved partner.

With wit and emotion, the book unveils the ordinary yet extraordinary moments that defined their partnership—a dance of shared dreams, challenges conquered together, and the warmth of companionship as well as exploring the depths of coping with an untimely departure. Through introspective musings, the author ponders the myriad ways life would have unfolded if fate had been more lenient.

"If You Were Here" is a tribute to love's enduring power, a celebration of life's quirks, and an exploration of the intricate threads that connect souls. Through laughter-tinged stories and tearful reflections, the book reminds us that even in the face of loss, the memories of a well-lived life continue to shape our journey, and the echoes of love remain eternally present.
