SYNOPSIS:

Stop me if you've heard this one...

A woman, with the help of a man, nervously sets out to tell us all a joke: A man walks into a bar and meets a

waitress. As they begin to perform the joke for the audience, lines between the performers and characters blur and a tense and funny standoff about gender and power emerges. Is the customer justified in thinking something will happen? Is the waitress justified to lie? Why are some things funny to her and insulting to him? Ownership of the story becomes a competition as the man and woman unpack every word and movement, catching each other out on their assumptions and contradictions as they inch towards the dark punchline.

3rd Annual Sports on Central

Date and Time: Saturday, May 10 11:00 am - 4:00 pm

Address: 888 Central Ave, Prince Albert, SK S6V 4V1

Join us for the 3rd Annual Sports on Central on May 10, 2025! After two years of incredible success, we're excited to return to the heart of Prince Albert's downtown to celebrate local sports and showcase the amazing clubs and opportunities available to our community's youth.

We understand the vital role sports play in fostering the development of children into healthy, happy, and contributing members of society. By participating in sports, kids not only build essential skills but also form valuable relationships. Our primary focus is on showcasing local opportunities and providing a platform for clubs to exhibit what they offer. This event gives kids a unique chance to meet coaches, explore different sports, and learn about the options available to them—all through a day filled with fun, engagement, and excitement.

Over the last two years, we transformed downtown PA into a massive play zone dedicated to football, hockey, basketball, soccer and other sports, with clubs hosting activities and meet & greets throughout the day in a safe and inclusive environment. Kids and families enjoyed highlights like the annual PA Police Service vs. PA Fire Department street hockey match and memorable guest speakers such as Greg Hendricks, and former Roughrider Derrick Moncrief sharing stories and inspiration. The Prince Albert Raiders even joined us, jumping into games with the kids and making the day unforgettable. Seeing kids' faces light up as they won prizes like basketball hoops, hockey nets, a weekend trip to a Regina Roughriders game, and other exciting giveaways was a true reminder of the impact of this event.

This year, we're taking it to an even greater level! Mark your calendars for May 10, 2025—this year's Sports on Central is an experience you won't want to miss!

Cupid's Heart & 0Stella Western Tour ft. Raven Reid

Date and Time: Saturday, May 24 7:00 pm - 11:55 pm

Address: 903 Central Avenue, Prince Albert, SK

Come on out to Rock Trout Cafe for an incredible night of music as Raven Reid joins Cupid's Heart & 0Stella for the third show of their Western Canadian Tour.

Raven Reid:

Step into the world of Raven Reid, a voice of resilience and a beacon of hope. Her music, rooted in the Indigenous folk tradition, tells a story of struggle and strength, reflecting her journey from the northern lights of Yellowknife to the heart of Saskatchewan. With her guitar in hand, she transforms her life's challenges into melodies that resonate with the spirit of her ancestors.

Raven's upcoming EP 'Changes' marks a new beginning, recorded with Merilainen Music Inc. and set to release in spring 2024. It's a call to embrace life's lessons and find one's purpose, a message she shares with all:

"Adversity teaches us; it guides us to our purpose. Join me in this journey of self-discovery. Many Blessings!" –

Raven Reid

Cupid's Heart:

Cupid's Heart is a North Saskatchewan trio belting poetic and moody lyrics amidst cello, electric guitar, and drums. Described as Chrissie Hynde Pretenders vibes with a pinch of Nirvana, alternative rock fits them like a baggy sweater. An electrifying stage presence and grungy realness sets this Prince Albert band apart.

0Stella:

0Stella is a force where sound, sustainability, and connection meet. Inspired by PJ Harvey's 'Oh, Stella,' the name celebrates the power of opposites coming together. With a deep connection to the natural world and 8,500 km of cycle touring under her belt, 0Stella's about making an impact, not just noise.
