3rd International Conference and Exhibition for Raw Materials ICERMs 2024 November Edition

Date and Time: Monday, November 4 10:00 am - 5:00 pm

Address: 432 Adams Crescent, Prince Albert, SK S6V 7K6

Welcome to the 3rd International Conference and Exhibition for Raw Materials (ICERMs 2024 – November Edition)!

This exciting event will take place at the Mahon Theatre (Conference Room) of the City of Prince Albert Public Library from **November 2-8, 2024**. It's an experience designed for **everyone**, whether you're a resource industry professional, student, business leader, or simply curious about the raw materials that shape the world around us.

Understanding the raw materials that make up everyday items—from the materials in your home to those powering industries—is something we all can appreciate. ICERMs 2024 offers a unique platform to explore how resources from **Saskatchewan, Manitoba, and Kogi State, Nigeria** are key to daily life and the global economy. This year's theme, **Discovering the Economic Viability of Manitoba's Raw Materials**, highlights the vital role these resources play in sustainable development and emerging technologies.

Event Breakdown:

- **Arrival Date:** Foreign delegates are expected to arrive on **November 2, 2024**.
- **Rest Day:** November 3, 2024, is designated for rest and relaxation.

- **Opening Ceremony:** The official opening will be held on **November 4, 2024**, with registration starting at 10:00 AM. The National Anthem will be performed at 10:50 AM to mark the start of the conference.

Day One Highlights:

- **Opening Ceremony**
- **Raw Materials Contest**
- **Informative Lectures**

One of the main attractions is the **Live Raw Materials Contest**, where **500 questions** will challenge attendees' knowledge of the raw materials industry. **25%** of the questions will focus on Saskatchewan's resources, while **75%** will spotlight Manitoba's. This reflects CACERMDI's dedication to promoting Saskatchewan's raw materials while showcasing resources from other regions. This year, the **Government of Kogi State, Nigeria**, will participate for the first time, exhibiting the unique raw materials of Kogi State, which emphasizes the growing international collaboration fostered by ICERMs.

Contest Details:

- Each attendee will receive a ticket number corresponding to a contest question.
- If your number is called and you answer the question correctly, you win **100 CAD**—an opportunity to win back more than the cost of your ticket (maximum **75 CAD**).
- Attendees are encouraged to review the **500 questions** in advance to boost their chances of success.

Why Attend?

This conference is for **everyone**. At ICERMs 2024, you'll have the opportunity to:

- Gain insights into the **resource development process**.
- Discover the economic potential of raw materials.
- Learn about cutting-edge **sustainable technologies**.
- Network with industry leaders and forge **new international partnerships**.

No matter your background, ICERMs 2024 offers an enriching experience where you can engage with the raw materials that underpin the products and industries we rely on every day.

Sponsorship & Donations:

All donations and sponsorships will be publicly recognized on our website. Contributions will support CACERMDI's goal to establish a permanent facility dedicated to showcasing raw materials from all over the world. This future center will be a must-visit for anyone coming to Canada, offering a deep dive into the materials that make our everyday products possible.

The Mousetrap

Date and Time: Wednesday, November 20 7:30 pm - 10:00 pm

Address: 380-14th Street West, Prince Albert SK

École St Mary High School invites the community to Upstage Productions' two-act play, "The Mousetrap", the world's longest-running play with over 28,000 performances.

After a local woman is murdered, the guests and staff at Monkswell Manor find themselves stranded during a snowstorm. It soon becomes clear that the killer is among them, and the seven strangers grow increasingly suspicious of one another. A police detective, arriving on skis, interrogates the suspects: the newlyweds running

the house; a spinster with a curious background; an architect who seems better equipped to be a chef; a retired Army major; a strange little man who claims his car has overturned in a drift; and a jurist who makes life miserable for everyone. When a second murder takes place, tensions and fears escalate. This record-breaking murder mystery features a brilliant surprise finish from Dame Agatha Christie, the foremost mystery writer of her time.

Show times at the **École St. Mary High School Lecture Theatre** are **Wednesday, November 20th - Saturday, November 23rd at 7:30 p.m.** Tickets cost \$12 for Adults and \$8 for Students (18 years and younger) and are available at the main office or at the door. Hope to see you then!

Sound/Water Wave Meditation with Sandhi Irvine

Date and Time: Saturday, November 30 12:00 pm - 1:00 pm

Address: 142 12th St W, Prince Albert, SK

Sandhi Irvine, of MoonYoga, Saskatoon, will lead a one-hour Sound/Water Wave Meditation in Susan Shantz's Confluence exhibition, connecting the theme of water with sound waves using singing crystal bowls, chimes, and bells. Come prepared to lie or sit beneath the blue water tarps and bathe in spacious silence and sound. Blankets and chairs will be provided.

"I've been a musician all my life. Alongside classical training in my youth... I sensed music in the hills, notes in the clouds, mantras from the trees. Most of all I could hear my own song. I learned of Nada yoga (the yoga of sound) while studying yogasana; it described the natural experience of intuitive 'sounds' as part of a centuries old tradition ... I sought out further study leading me to practice as a sound artist." - Sandhi

The Mann Art Gallery gratefully acknowledges the support of the Canada Council for the Arts, SK Arts, Saskatchewan Lotteries, the City of Moose Jaw, the City of Prince Albert, and Diane & Roger Mann.

Don't miss this opportunity to experience Confluence—an exploration of water, art, and the delicate balance of life on the Prairies - through this unique sensory experience.

Address: 142 12th St W, Prince Albert, SK

Opening Reception for *Confluence*

Date: November 14, 2023

Time: 7:00 pm

Location: Mann Art Gallery

Join us for *Confluence*, an exhibition by Susan Shantz, whose thought-provoking work explores humanity's connection to nature, focusing on Prairie water sources. Inspired by scientific field studies, Shantz's pieces use textiles, video, and found objects to illustrate water's journey from the Rocky Mountains across the prairies and to raise awareness of the environmental challenges facing our water systems.

Experience the art, engage in reflection, and celebrate Shantz's poetic exploration of our relationship with nature.

Supported by Canada Council for the Arts, SK Arts, SaskCulture, and the City of Prince Albert and the City of Moose Jaw.
